Puppets who kill
the sound of art killing music *Noiz*

HOME TAPING IS
KILLING MUSIC

so is noizecore and netlables

kill the
music man
makenoize
art

We do not kill
or slaughter
but when a
noize
musician
takes aim at
a
mainstream
song they
get messy
with phyco
surreal sound
shapping
approach to
music

Heavey metal had alot of
head room to become
loader faster darker but
noizecore the hard core
noize leaves no room to
get more aggressive thus
is the end game for heavey
music

noizeCORE Netlables

special

Perversion of the cult ture of capitalist selling flesh to sell garbage. Noizecore responds to this subject and more...

The sex appeal is not really there for noize but there is a sexyness to synths sounds. samples are sometimes very lude. Everyone has a different approach. males and females make different kinds of noise music. Drone and Harsh.....

noize

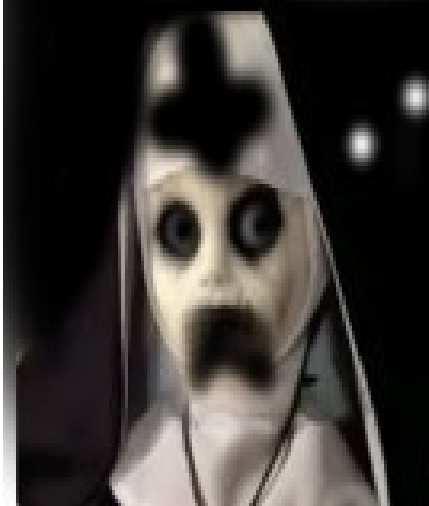

Not your average boy band or chick group people that make noize make art music. emotions in audio foarm. People talk about sound quality but WE say sound is a thing to experiment with textures of sound layers of handmade instruments.

Toyz that make Noize

circuit bent toys cross connected or shorting out. toyz with fx can be fun.

They are always picking on me...why they do that hhm

some noize experimenter s are also religious folks so in the spirit of free speech and expression the message is not the noize

A black and white collage featuring a devil mask, a synthesizer, a guitar, and a television. The devil mask is in the upper left, the synthesizer is in the upper middle, the guitar is in the middle right, and the television is in the lower right. The text is overlaid on these elements.

money making music

we take money for over
produced music that
becomes a hit song we
play it for everyone and
put it on tv artist do not
like us much.
